

On-Site Listing Concierge

01 What's Covered

On-site service to support your listings when you can't be there—whether it's personal time, vacation, a wellness break, or the need for a local expert to handle market preparation before a property goes live. I step in to keep your listings running smoothly:

- Meeting with sellers or vendors
- Delivering marketing materials
- Installing/removing lockboxes
- Attending home inspections
- Hosting open/broker houses
- Exchanging keys
- **Co-listing services available**

Please reach out to discuss availability, pricing, and **details**.
